Lieut. General D. M. Schlatter, USAF
 Armed Forces Staff College
 Norfolk II, Virginia

Dear General Schlatter:

I wish to express my appreciation of your invitation to General Balmer to address the Twenty-First Class on the subject of "Unconventional Warfare." General Balmer has left the position which he held last year in order to accept an important assignment overseas. He is, therefore, not available to make this presentation.

I would like to propose [redacted] USA,
 or [redacted] USA, as the speaker on
 "Unconventional Warfare." At this time, I am unable to determine which officer will be available on the 12th of June 1957, but will notify you at a later date which one will make the presentation. Both have served on General Balmer's Staff for the past three years and have been directly concerned with the Joint Planning for "Unconventional Warfare" conducted by this Agency and the Military Services.

If this arrangement is acceptable to you, Colonel Jack D. Nicholas may contact [redacted] directly to discuss the STAT objectives and scope of the instruction and arrange the details of the visit.

Sincerely,
